**RE: *Louisville Gas and Electric Company's Application
For Adjustments in its Electric and Gas Rates -
Case No. 2009-00549***

Dear Mr. Bowling:

On January 29, 2010, Louisville Gas and Electric Company ("LG&E") filed a Statutory Notice with the Kentucky Public Service Commission ("Commission") requesting an increase in its gas and electric rates, including the rates contained in the special contract under which Louisville Gas and Electric Company ("LG&E") and Kentucky Utilities ("KU"), on behalf of their Electric Generation Businesses, receive natural gas sales and transportation service under a special contract for their Cane Run, Mill Creek, and Paddy's Run facilities.

On June 8, 2009, LG&E filed a Stipulation and Recommendation with the Commission proposing rates lower than those originally proposed on January 29. On July 30, 2010, after evidentiary hearings, the Commission issued its Order in Case No. 2009-00459 approving the rates submitted by LG&E in the Stipulation and Recommendation, including the rates contained in the aforementioned special contract.

Under the portion of the special contract for service to the Cane Run and Mill Creek facilities, which incorporates by reference sales service provided under LG&E's Firm Industrial Gas Rate IGS, the following rates shall apply:
